

Subject: Rick and Kendra's Beautiful Yard

Hi Rob,

We LOVE our yard!!!! You have to come see it (and take pictures) since we have decorated the back yard.

The dogs also love it, and play and "lay out" on the grass all the time. Rick has added a couple things too, so you really need to come and see it.

We have washed the rock out front ourselves, but please don't forget to finish the valve in the front yard.

Thanks a lot!

Rick and Kendra
